NAME REDACTED

~~NAME~~ - I feel that this person Frankie should get Arrested because of the fact that he made me do things As I was Young. Also I felt molested and disrespected

This person constantly wrote to me even if I blocked this person. I felt like he was stalking me. I was young so my knowledge from before and

Now has changed ~~when~~ when I was ~~young~~ Young I really Didn't know what was happening

It's hard for me to Remember but I'm going to be honest on ~~what~~ what happened constantly I'll get I'm

from this person I'm like let's meet up to hang out and chill so since I was young and dumb I would meet up with this person sometimes he would write me in the day time for me to come to his house because he has told me before if I need help with my Homework that he is always there to help. little by little I'm refreshing my mind about this and trying my hardest I don't remember these exact dates because I don't have great memory. But also I'm trying not to keep this on my mind because I have a future ahead of me and the reason I'm writing this letter because I really don't want to set foot

Into court I really dont want
to be in a big Process Im older now
and that's the Past I have to think about
Present. I Never really wanted anything
to happen I was forced from this Person
like for me to Put my Penis In this Person's
mouth he also wanted me to do it but
I to him No and no is no and another
thing this Person wanted me to
is Put my penis in his butt I was
Young I didnt know I was scared I
felt Nobody shouldnt have known I was
going to be very imbarresed but now Im
Just sitting writing this statement for
Detective tom because I really dont
want to go to court for this and I would
really ~~Appreciate~~ Appreciate if I wouldn't
have to go Atleast Im writing a letter about
the info on what happened
